FNN Financial News Network and USA TODAY Present:

Play the Wall Street Game

NATIONAL INVESTMENT CHALLENGE

How It Works. On April 1, 1991, everyone participating in The National Investment Challenge receives a fictional $500,000 brokerage account. The object is to increase the value of your portfolio by buying and selling stocks and/or options until the quarterly competition ends on June 28, 1991. You'll be playing against other participants for cash, prizes and glory.

It's the ultimate in stock market simulation. Enter either the Stock or the Option Division. Invest (with your $500,000 in play money, of course) in any stock listed on the major stock exchanges. Follow your stocks daily, if you like. And you'll have toll-free access to our trading desk for your buying and selling, just like calling orders to a stockbroker.

Special entry fee for students and faculty is only $49—that's $50 off the regular $99 entry fee. We'll send you a complete rules and instructions package. Plus, you'll receive monthly portfolio statements detailing your account's current value, activity and performance rankings.

Cash Awards

	Stock Division	Option Division
1st	$25,000	$25,000
2nd	7,000	7,000
3rd	5,000	5,000
4th	3,000	3,000
5th	2,500	2,500
6th	2,000	2,000
7th	1,750	1,750
8th	1,500	1,500
9th	1,250	1,250
10th	1,000	1,000

What You Win. The top ten winners of each division share $100,000 in cash awards. (There's a new Challenge with new prizes every quarter.)

What's more, competition leaders and winners get national recognition every week in USA TODAY and on Financial News Network.

How You Enter. The easiest way to enter is to call **1-800-545-1990, ext. 51** and use your credit card. As a student (or faculty) entry is only $49—that's $50 off the regular $99 entry fee. If you'd like more information, we'll send you a full color brochure with complete details.

April 1 — June 28, 1991

THE NATIONAL INVESTMENT CHALLENGE. *Time Magazine* called it "...a contest designed to give you an almost-real adventure in handling a stock portfolio." We call it three months of competition, trading experience and just plain fun.

The National Investment Challenge is a quarterly competition. The remaining 1991 Challenges are: 2nd Q, April 1 - June 28; 3rd Q, July 1 - Sept. 30; 4th Q, Oct. 1 - Dec. 31.

NOTICE TO SENIORS

Senior Testing Requirements

The policies of the Tennessee Higher Education Commission, Board of Regents, and Memphis State University require all seniors to complete prior to graduation a test of general education and, when scheduled, a major area test. The test of general education, ACT-COMP, is scheduled on the dates listed below for seniors who have **completed 100 hours** or more toward their degree. Choose the preferred test date and register by calling the University Testing Center at 678-2428. Registration for each test date is first come, first served. so CALL EARLY! The test should be completed PRIOR to filing the Intent to Graduate Cards.

SENIOR EXAMINATION SCHEDULE (ACT-COMP)

Saturday, June 15, 1991 . . . . . 9:00 a.m.
Tuesday, July 16, 1991 . . . . . 2:00 p.m.
Saturday, September 7, 1991 . . . . . 9:00 a.m.
Monday, September 23, 1991 . . . . . 3:30 p.m.
Thursday, October 10, 1991 . . . . . 2:00 p.m.
Saturday, October 26, 1991 . . . . . 9:00 a.m.

About The ACT-COMP

The Senior Test is designed to evaluate the skills that students acquire in their general education program — those courses that are required for all students. It is not meant to test knowledge from a specific major or discipline, but rather to evaluate the student's ability to receive information in a variety of formats, analyze the information, and respond to situations related to adult roles in society. During the test, you will view portions of newscasts and television productions, listen to music and radio broadcasts, look at art prints, and review advertisements, graphs, and blueprints.

Scores on the test will be returned to you along with information for comparison with a national senior reference group. The report will include an overall total score and also subscores in the following areas:

— Functioning Within Social Institutions
— Using Science and Technology
— Using the Arts
— Communicating
— Solving Problems
— Clarifying Values

A description of each subscore area is included with the score report. A Student Guide to the ACT-COMP is available from your college graduation analyst and the University Testing Center.

STUDENTS WITH DISABILITIES

Due to the special format of the test — television, tapes, and slides and the time requirements, students with certain types of disabilities that normally require special test conditions may be eligible for exemption. Students with disabilities must request and be approved for exemption through the Director of the Office of Students with Disabilities, 215 Scates Hall, prior to the last test date for any given semester.

ADMISSION—REGISTRATION— FEE INFORMATION

ADMISSIONS PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after May 1 will not be assured of registration before the first day of classes.

High School Curriculum Requirements

Effective the Fall Semester 1989, the following specific school units are required for admission to Memphis State University:
English — 4 units
Math — 3 units
Natural & Physical Sciences — 2 units
Social Studies — 2 units
Foreign Language — 2 units

Applicants with special academic circumstances may, with proper institutional approval, be processed for admission with subject deficiencies. If admitted, the deficiencies must be removed during the first 64 semester hours (30 semester hours for transfer students) of college enrollment. College level courses taken to remove unit deficiencies must be completed with a grade of C or better and will be used for elective credit only. Inquiries concerning these requirements or the availability of courses to meet these requirements should be directed to Admissions and Records Services, Room 115, Administration Building, 678-4722.

New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration Building, 678-2101. Information concerning graduate student admissions may be obtained in the Graduate Admissions Office, Room 216, Administration Building, 678-2911. After 4:30 p.m. and on Saturday mornings, information may be obtained in Evening Academic Services Office, Room 167, Administration Building, 678-2393.

Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Most former graduate and undergraduate students seeking readmission must obtain an application for readmission from Room 167, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students who must be properly admitted to graduate school as new students by the Graduate Admissions Office, Room 216, Administration Building. All inquiries concerning appropriate readmissions procedures should be directed to the Readmissions Office 678-2674.

Transferring Credit to MSU

After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, he should consult with his adviser and the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University. In order for completed additional undergraduate course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. Information about the transfer of graduate credit may be obtained in the Graduate School Office, Room 315, Administration Building, 678-2531.

Residency Classification

All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the Tennessee Board of Regents. All requests for residency changes must be received before the first day of classes for each term.Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the Admissions Office, Room 205, Administration Building, 678-2344

Persons 60 Years of Age and Persons Totally Disabled

Persons suffering from a permanent disability which totally incapacitates them from working at an occupation which brings an income, and persons who will become sixty (60) years of age or older during the academic semester in which they begin classes, and who are domiciled in Tennessee, may AUDIT courses at Memphis State without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to AUDIT will be limited on an individual classroom basis according to space availability.

Persons who are totally disabled, and persons who will become sixty-five (65) years of age prior to or during the academic semester in which they begin classes, and who are domiciled in Tennessee, may enroll for courses for credit at the cost of one half the normal per credit hour fee, not to exceed $75 per semester. University Health Services shall examine certification of permanent disability and determine the eligibility of the applicant.

Inquiries concerning these programs may be addressed to Registration/Scheduling, Room 161, Administration Building, 678-2675.

REGISTRATION INFORMATION

Registration Appointment Times: During Priority or Regular Registration students should enter the Registration Center at or after the appointment time indicated on their Registration Permit. Registration priority is based on cumulative hours earned through the end of the previous term completed at the time the Registration Permit is produced. Music Locker Deposit

Music students are required to have a locker for storage of University-owned musical instruments or equipment. Personal instruments may also be stored in lockers. A deposit of $3.00 for one semester or $4.00 for two semesters is required on each locker issued. This deposit, less a service charge of $1.50 per semester, will be refunded upon return of the lock. Students will be expected to pay for any damages.

Physical Education Locker and Towel Fee

Students enrolled in physical education courses must pay a fee of $4.00 for the locker and towel issued them. Students must provide their own lock.

Transcripts

There is no fee for transcripts. However, official transcripts are limited to a maximum of five (5) per request. Transcripts are issued only at the request of the student in person or by letter. No transcript will be provided for a student who has any unfulfilled obligation to the University.

University College Fees

In addition to their $5.00 application fee, students who apply to the University College must pay a screening fee of $15.00, which is non-refundable. If accepted into the University College, the student must pay a non-refundable contract-advising fee of $25.00.

Students who apply for credit for experiential learning will pay a non-refundable portfolio assessment fee of $45.00. After the portfolio has been evaluated and credit assigned, the student will pay $15.00 per credit hour for each hour in excess of three for which credit is awarded. For students enrolled under a group contract, a maximum fee of $90.00 will be assessed for credits assigned under the terms of the contract.

PAYMENT OF FEES

Fees may be paid as soon as the student receives a Class Schedule and Invoice Form. However, all fees **must** be paid by the deadline indicated on the student's Class Schedule and Invoice Form. All deadlines are noted in the fee deadline section of this publication and in the term calendar for each semester. Registration is not complete until all fees are paid.

Fees may be paid by cash, check, money order, or through the use of Visa or Mastercard. **Beginning May 23, 1991,** fee payments should be made at the Fee Payment Center, University Center, Third Floor. Students receiving financial aid awards should stop at the Fee Payment Center cashier's station. Students holding billing authorizations should stop at the Fee Adjustment/Billing Authorization station in the Fee Payment Center. Students receiving VA assistance are expected to pay fees in full.

Students will not have their names placed on class rolls until all fees are satisfied. All questions regarding fees, fee payment, and refunds should be directed to the Bursar's Office.

ALL OUTSTANDING FINANCIAL OBLIGATIONS TO THE UNIVERSITY MUST BE SATISFIED BY THE FIRST DAY OF CLASSES TO AVOID DELETION OF THE STUDENT FROM THE CLASS ROLLS.

All appeals must be made in writing within ten (10) days of the previous decision. Traffic fines are subject to a separate appeal procedure.

The card remains the property of the University and must be surrendered upon the request of a University official. A cardholder may possess only one University identification card at a time.

A student may obtain a replacement from the I.D. Office, Room 176, Administration Building, from 8:00 a.m. to 4:30 p.m. Monday through Friday. A student will be charged $10.00 to replace a card that has been damaged, stolen or lost. A charge of $2.00 will be made to make any change in data on a card. Students unable to obtain an I.D. card at an off-campus or special registration must go to the I.D. Office to have one made.

MISCELLANEOUS ACADEMIC POLICIES & PROCEDURES

CHANGING ENROLLMENT STATUS

Change of Course (Add/Drop)

After a student's registration is complete, the class schedule may be changed by adding and/or dropping courses within a specified period only (see University registration calendar). After the last day to add, students will add/drop using the multi-copy Change of Course Application form instead of the Section Request Form. Hours when advisers are available may be obtained from the department of the student's major. The Evening Academic Services office hours are 12 noon-8:00 p.m. Monday through Thursday, and 8:30 a.m.-12 noon on Saturday. Time limits for add/drop are outlined in the registration calendar. No fees will be charged for any change-of-course transaction until the first day of classes. There is no charge for a change made as a result of the University canceling a course.

Permission to add or drop a course after the deadlines shown in the semester calendar must be obtained from the appropriate college dean for undergraduates and the graduate dean for graduate students.

Students enrolled in one course who wish to drop must withdraw from the University.

Withdrawal Procedures

Students who participated in Priority/Continuous Registration and need to cancel their registration ***prior to the first day of classes*** (May 30, First and Extended; July 9, Second Terms) should bring their Class Schedule and Invoice Form to the Registration Center or the Registration Office, Room 161, Administration Building (see calendar for dates and times open).

Students may withdraw from the University beginning the first day of classes by contacting the appropriate University official.

REPETITION OF COURSES

Summer, 1988 was the implementation term for the revised repeat policy as stated in the 1987-88 Undergraduate Catalog:

A student may not attempt the same course more than three times for the purpose of obtaining a passing grade or higher grade. Exceptions to this limitation may be made by the dean of the college from which the student intends to graduate. These exceptions must be approved prior to the student's registration for the fourth and any subsequent attempts of the same course.

The student's quality point average will be computed as follows:

Attempt	Grade(s) Included In Computation
1st	Original grade earned
2nd	Only grade in 2nd attempt
3rd and subsequent	Grade earned in 2nd attempt averaged with grade(s) earned in ALL subsequent attempts

The record will continue to reflect all grades earned in the same course.

STUDENTS WITH DISABILITIES

Early Registration Permits can be issued by the Office for Students with Disabilities (OSD) to allow eligible students to register on the first day or at any convenient time during Priority Registration. The purpose of this procedure is to allow students to adequately plan for and schedule around any disability related needs. Generally, students with handicaps of mobility, vision, hearing and specific learning disabilities are eligible to receive authorization to register early. **Students with disabilities must, however, be eligible to participate in the University's registration process by virtue of being in good standing with no registration "holds" and having received their registration materials by mail.** Personal attendants and academic aids employed by students with disabilities may also receive authorization to register early so their schedules can be coordinated to accommodate the students for whom they work.

Registration Procedures

1. Upon receipt of registration materials, see adviser and get signed Section Request Form. Please check published advising schedules and make appointments as indicated.
2. Present registration materials and signed Section Request Form in OSD in order to receive Early Registration Authorization Form. Students who need staff assistance in planning their schedule may request it at this time.
3. Take registration materials, completed Section Request Form and Early Registration Authorization Form to Registration Center.
4. After completing registration, take the Class Schedule and Invoice Form to OSD for Needs Assessment so that necessary academic accommodations and resources can be planned.
5. Students who drop or add courses after the Needs Assessment is completed should take a revised copy of their schedule back to OSD.
6. Students on authorized billing from state rehabilitation agencies should make plans with their counselor to meet the appropriate fee payment deadline.

OSD can reserve Restricted Section Request Forms for R&DS students with disabilities. R&DS students should bring a list of the specific courses they wish to take to OSD at least one week prior to the beginning of regular registration. The Restricted Section Request Forms can then be picked up in OSD one half hour prior to the registration appointment time.

For further information or assistance, please contact the Office for Students with Disabilities, 215 Scates Hall, 678-2880 (Voice and TDD).

SUMMARY OF STEPS TO COMPLETE REGISTRATION

Detailed descriptions of each of the following steps are provided in the appropriate section of this Schedule of Classes.

1. Complete admission procedures.

   New students must submit a $5.00 application fee and application form to the Admissions Office. (Undergraduate, Admin. Bldg., Room 215, 678-2101; Graduate, Admin. Bldg., Room 216, 678-2911.)

   Students who were unclassified or who were not enrolled in the Spring 1991 semester must file a readmission application (Readmissions, Admin. Bldg., Room 167, 678-2674.)

2. Obtain necessary registration materials.

   Current students (who do not have holds placed on their materials) and new or readmitted students meeting admission requirements in sufficient time before either Priority or Regular Registration, will be mailed a Registration Permit with a registration appointment time.

   Students not meeting admission requirements in time to receive registration materials in the mail will receive instructions with their letter of acceptance.

   Refer to the Registration Calendar for all deadlines, dates and times for registration activity.

3. Consult with academic adviser.

   All students must obtain a Section Request Form from an academic adviser **prior to** registration.

4. Pick up Restricted Section Request Forms (if required).

   The locations of Restricted Section Request Forms are footnoted in the **Schedule of Classes** for the classes requiring these forms.

5. Report to the Registration Center.

   Bring the Registration Permit and Section Request Form, and any required Restricted Section Request Forms to the Registration Center at or after the appointment time printed on the Registration Permit for Priority or Regular Registration. Appointment times are not necessary during other times when registration/drop/add is available.

6. Pay all registration fees.

   Fees may be paid beginning the day students register and MUST be paid by the deadline specified on the Class Schedule and Invoice Form which the students receive at time of registration. Students' classes will be deleted if fees are not paid by the date indicated.

REGISTER EARLY! **PAY FEES ON TIME!**

REGISTRATION PRIORITY

Since it is not feasible for all students to register at the same time, it is necessary to establish priorities in the assignment of registration times. Registration priority and the registration appointment times appearing on registration materials are based on the number of cumulative hours earned.

Registration materials must be prepared before the end of the term that immediately precedes registration. **Appointment times do not reflect hours earned during the current term.** For example, registration times for the spring semester are not affected by hours earned during the fall semester.

Registration priority and associated registration appointment times will not be based on the need to work because such a large number of students do work. No practical or equitable way exists to administer a priority system on the criterion of a student having to work.

Unclassified students will be awarded registration appointment times on the basis of hours earned at Memphis State University only. Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

SCHEDULE CONFLICTS/CHANGES

Schedule conflicts — Each student is responsible for preventing conflicts in the scheduling of his classes. *Students should check each Index No. to insure that the course and section numbers, time and credit agree with what they requested.* Students will be assessed a "change-of-course" fee beginning the first day of classes. Up-to-date information may be obtained during registration.

The University does not guarantee that the instructor listed in the Schedule of Classes will be the one to teach the course, and no fees will be waived accordingly. Change of course fees will not be waived to accommodate changes in student's outside work schedules or changes of health conditions.

University policy prohibits the waiving of the change fee when a course section has been closed and later reopened. *The University reserves the right to cancel courses or sections or to combine sections.*

REGISTRATION FEES — Fees may be paid beginning the day the student registers and MUST be paid by the deadline specified on the student's Class Schedule and Invoice Form. See Payment of Fees section for payment options.

IF YOU'RE NOT RECYCLING YOU'RE THROWING IT ALL AWAY.SM

A little reminder from the Environmental Defense Fund that if you're not recycling, you're throwing away a lot more than just your trash.

You and your community can recycle. Please write the Environmental Defense Fund at: EDF-Recycling, 257 Park Avenue South, New York, NY 10010, for a free brochure that will tell you virtually everything you need to know about recycling.

IT'LL GET YOU THROUGH EVEN THE MOST DIFFICULT COURSES.

Hitting the road shouldn't be as hard as hitting the books. That's why we created the Volkswagen Fox. The ideal first car that combines both fun and practicality. With a lively 1.8-liter fuel-injected engine, independent suspension and front-wheel drive, Fox can quickly get you to that early morning exam or to the all-night market for a much needed study break. Fox is versatile, too. With room for four and plenty of trunk space for books, groceries or taking laundry home to mom on the weekend. Plus fuel economy* that can get you there and back without emptying your wallet. All for only $7370;** making Fox our most frugal form of Fahrvergnügen™– the rewarding and distinctly European driving experience you'll find only in a Volkswagen. For more information on Fox or any Volkswagen call **1-800-444-VWUS.** Or see your local Volkswagen dealer. They'll be sure to steer you in the right direction.

FAHRVERGNÜGEN. IT'S WHAT MAKES A CAR A VOLKSWAGEN.

Seatbelts save lives. Don't drink and drive.

Courses Designed for Adult Students

Directed study courses are for adults working toward bachelor's degrees and learning for personal enrichment. These courses, designed by specialists in a variety of fields, are rigorous and challenging. They have been developed to serve the special needs of adults who, because of work and family obligations, distance, or handicap, find it difficult to attend on-campus classes. Persons in Memphis and the surrounding areas of Arkansas, Mississippi, and West Tennessee may enroll. These courses are applicable to degree programs at MSU as courses in the major, courses required by a college, or as electives.

Learning Through Directed Study

Directed independent study is the principal means of instruction in each course. Students are guided in their studies by a detailed week-by-week syllabus, a study guide, textbooks, and written assignments. In most courses, video programs supplement the reading. These are broadcast on WKNO-TV , Cablevision or are available as home rental video tapes. Tapes of the programs are also available for viewing in the Learning Media Center of the MSU library. Written assignments are evaluated by the course instructor with whom the student may confer by phone or in person. Students may also attend optional discussion sessions led by the instructor.

EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester Memphis State University recommends that students with health concerns or conditions seek private medical advice about the appropriateness for him/her to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review at the office of the chair for the department in which such chemicals are used. MSDS are also available for review at the office of the Radiation Safety Officer/Technologist. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer/Technologist.

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF G.I. BILL BENEFITS.

Any student using VA Educational Assistance (G.I. Bill Benefits) at Memphis State University should contact the Office of Veteran's Services (Room 212, Scates Hall, 678-2996). New students should be prepared to furnish the following items as needed: an original or VA certified copy of their DD 214, or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veterans educational benefits. Some of these restrictions include: regular class attendance, satisfactory academic progress, and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders:

(1) Register with the Office of Veterans Services every semester by completing a Veteran Data Sheet and Certification Request.

(2) Report credit allowed for prior training in cooperation with your adviser by completing a "Request for Reevaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.

(3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.

(4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, cancelled courses, and withdrawals.

(5) Obtain a degree posting sheet/formal degree plan from your adviser, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

SEXUAL HARASSMENT

Policy

It is against University Policy to sexually harass or to discriminate against any member of the University Community on the basis of sex, race, color, national origin, age, or handicap and/or veteran status.

Such actions are prohibited not only by University policy, but also by Title VII of the Civil Rights Act of 1964 as amended, and Title IX of the Education Amendments Act of 1972. Other types of harassment are prohibited by applicable law. Violation of these Acts may have legal consequences.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the careers, educational experience, and well-being of students, faculty and staff. Incidents involving sexual harassment, racial harassment or discrimination have no place within the University in both obvious and subtle ways, even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff, and the academic community as a whole.

When, through fear of reprisal, a student, staff member, or faculty member submits or is pressured to submit to unwanted sexual attention, the University's ability to carry out its mission is undermined.

Sexual harassment is especially serious when it threatens relationships between teacher and student or supervisor and subordinate. In such situations, sexual harassment exploits unfairly the power inherent in a faculty member's or supervisor's position. Through grades, wage increases, recommendations for graduate study, promotion, and the like, a teacher or supervisor can have a decisive influence on a student's, staff member's or faculty member's career at the University and beyond.

While sexual harassment most often takes place in situations of a power differential between the persons involved, the University also recognizes that sexual harassment may occur between persons of the same University status. The University will not tolerate behavior between or among members of the University community that creates an unacceptable work or educational environment.

A. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when one of the following criteria is met:
   a. submission to such conduct is made explicitly or implicitly a term of condition of an individual's employment or of the individual's status in a program, course or activity; or
   b. submission to or rejection of such conduct by an individual is used as the basis for employment decisions, a criterion for evaluation, or basis for academic or other decisions affecting such individual; or
   c. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creating an intimidating, hostile, or offensive working or educational environment.

   Whether the alleged conduct constitutes sexual harassment depends upon the record as a whole and the totality of the circumstances, such as the nature of sexual advances in the context within which the alleged incident occurred.

B. Sexual harassment encompasses any sexual attention that is unwanted. Examples of the verbal or physical conduct prohibited include, but are not limited to:
   a. Physical assault;
   b. Direct or implied threats that submission to sexual advances will be a condition of employment, work status, promotion, grades, or letters or recommendation;
   c. Direct propositions of a sexual nature;
   d. Subtle and persistent pressure for sexual activity;
   e. A pattern of conduct intended to discomfort or humiliate, or both, that includes one or more of the following: (i) comments of a sexual nature; or (ii) sexually explicit statements, questions, jokes, or anecdotes;
   f. A pattern of conduct that would discomfort or humiliate, or both, a reasonable person at whom the conduct was directed that includes one or more of the following: (i) unwanted sexual advances such as touching, patting, hugging, or brushing against a person's body; (ii) remarks of a sexual nature about a person's clothing or body; or (iii) remarks about sexual activity or speculations about previous sexual experience.

C. Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an individual's performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based

typically on prejudiced stereotypes of a group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individuals from expressing their opinions in a way which abuses or offends their coworkers.

D. Generally, harassment on the basis of religion, handicap, or other protect status includes any conduct which has the purpose or has the reasonably foreseeable effect of interfering with an individual's academic efforts, employment, or participation in institutionally sponsored activities. Such harassment also includes any activity which creates an intimidating, hostile or demeaning environment.

The University seeks to encourage the prompt reporting of such harassment and its prompt resolution through either University procedures. Where the charge of harassment is by one student against another student, the Assistant Dean of Students for Judicial Affairs and the Associate Dean of Student Development will investigate and resolve the complaint in accordance with student disciplinary procedures. Other charges of harassment should be directed to the University Affirmative Action Officer for investigation and recommendations to the President and will follow guidelines set forth in University Procedure 2A:12:04A.

In addition, the University will take steps towards and encourage the development of programs aimed at informing students and employees of their rights to be free from sexual harassment and the procedures available for reporting. Programs will also be developed and aimed at preventing harassment.

Procedure

The purpose of this procedure is to provide a clearly defined means of reporting and investigating the complaints of students, faculty, and employees where they believe they have encountered sexual harassment as defined by the University policy. The final resolution of such complaints and the imposition of any appropriate sanctioning will be governed by existing University procedures.

The President has assigned the University Equal Employment/Affirmative Action Compliance Officer the responsibility of investigating any complaint related to this procedure. The responsibility of investigating complaints against students has been assigned to the Assistant Dean for Judicial Affairs and the Associate Dean of Student Development in accordance with appropriate student disciplinary procedures.

Since harassment based on race, sex, or any other factor has been defined as discriminatory in nature, the following procedures will be implemented for the reporting of harassment:

a. Complaint by student against student—Procedure: Complaint to Assistant Dean of Students for Judicial Affairs for investigation and possible disciplinary action. Complaint of other discriminatory harassment to Associate Dean of Student Development for investigation and possible disciplinary action.
b. Complaint by faculty member or staff against student—Procedure: Same as (a).
c. Complaint by student against faculty member or staff; faculty member against staff; faculty member against faculty member or supervisor; or staff against faculty member, staff, supervisor or outside University contracting agency—Procedure: Complaint to University Affirmative Action Officer for investigation and possible disciplinary action by the President.

Procedures

The following procedures are intended to protect the rights of the aggrieved party as well as the party against whom an allegation of harassment is lodged, as required by state and federal laws. Each charge will be properly investigated and, when warranted, appropriate disciplinary action taken against the individual charged.

In situations that require immediate action, because of safety or other concerns, the institution can take any disciplinary action which is appropriate, e.g., suspension with pay, pending the initiation of the investigation by the EEO/AA officer. The University Affirmative Action Officer and the President should be contacted in situations requiring immediate action. The TBR Office of General Counsel will be contacted before any immediate action is taken and prior to any investigation.

A. Preliminary Investigation
   1. Any student, applicant for employment or employee who believes he or she has been subjected to harassment at Memphis State University shall present the charge to the designated EEO/AA officer responsible for compliance with Title VII of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972.
   2. The EEO/AA officer will make every attempt to get the aggrieved party to provide the charge in writing. The charge shall include the circumstances giving rise to the allegations and the dates of the alleged occurrences. The charge shall be signed by the aggrieved individual and notarized. However, where the aggrieved individual refuses to sign a written charge, the EEO/AA officer will still investigate the allegations, and recommend to the President appropriate action. Based on the findings of this investigation, the EEO/AA officer may recommend to the President appropriate action which may or may not be the steps outlined in the remaining paragraphs of this guideline.
   3. The EEO/AA officer shall notify in writing the charged party within five (5) working days of receipt of the charge. The charged party shall respond in writing to the charge within five (5) days of notification.
   4. The EEO/AA officer may meet with both parties for the purpose of resolving the charge informally.
   5. The EEO/AA officer shall conduct an investigation of the charge and submit a report to the President, TBR EEO/AA officer, and the parties within twenty (20) working days following receipt of the charge. Each report shall outline the basis of the charge, including the dates of the alleged occurrences, the response of the charged party, the findings of the EEO/AA officer and all attempts to resolve the charge informally and recommendations regarding disposition of the charge. If following an investigation the EEO/AA officer finds there is no substantial evidence to support the charge, the parties shall be so advised in writing.
   6. If the investigation reveals that there is evidence to support the charge, the President may meet with the charged party and/or the charging party and attempt to resolve the problem by agreement. In addition, the charged party shall be advised of his/her right to a hearing pursuant to the procedures set forth below. A charged party may request a hearing within ten (10) days following receipt of the report.

B. Hearing
   1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Regents Policy No. 1:06:00:05, Uniform Procedures for Cases Subject to Tennessee Uniform Administrative Procedures Act, and of the established Memphis State University procedures available for resolution of the matter in question. The party requesting a hearing shall be given the opportunity to elect the procedures pursuant to which the matter shall be heard.
   2. When an individual elects to proceed under the established Memphis State University procedures for resolution of the matter, the election should be in writing and signed by the individual making the election and should expressly waive the procedures available under the TUAPA as to the matter in question. When a party elects to proceed pursuant to established procedures at Memphis State University, these procedures shall include the following minimal requirements:
      a. Notice of the charge to the party or parties.
      b. The right of the party or parties to present his or her case.
      c. The right to be accompanied by an advisor.
      d. The right to call witnesses in his or her behalf.
      e. The right to confront witnesses against him or her.

   In addition, in any case where the President makes a decision which is adverse to the charge or claim of either party, the President shall advise the person of any right of appeal provided by TBR policy.
   3. Individuals electing to proceed under the TUAPA shall be referred to the appropriate Memphis State University official responsible for commencement of actions under the TUAPA as provided in Board Policy No. 1:06:00:05.
   4. When a charge involves a tenured faculty member, the same informal and formal procedures set out above shall

be utilized. Tenured faculty members shall have the same right to elect hearing procedures as set out herein. Where the selected hearing procedure results in a finding that sexual harassment exists and the President determines that the harassment constitutes adequate cause for termination, then the matter will proceed under either Memphis State University policy for termination of tenure or TBR policy 5:02:03:00. Under TBR policy the matter shall proceed under section III. 16 on page 15 of 19.

PRIVACY RIGHTS OF PARENTS & STUDENTS NOTICE TO STUDENTS

The Family Educational Rights and Privacy Act of 1974, with which the University intends to comply fully, is designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Provisions for the release of information about students and the rights of students and others to have access to Memphis State University education records are as follows:

A. Release of Personally Identifiable Student **Education Records.**

Memphis State University shall not permit access to or release of any information in the **Education Records** which is specifically identifiable as referring to any student, other than Directory Information, without the written consent of the student to any party other than the following:

1. MSU officials and staff who have legitimate educational interests, including academic excellence, honor societies, and fraternities and sororities. Written requests from such officials or organizations shall be sent to the Records Office, and proper identification will be required.
2. Officials of other schools in which the student seeks admission, if the student has executed a release form to that institution. (At a later date a request for academic information from another institution of learning indicating the reason will be honored as a matter of inter-institutional courtesy.)
3. Appropriate persons in connection with a student's application for or receipt of financial aid.
4. Federal or State officials as defined in the regulations concerning this law.
5. State and local officials authorized by State statute adopted prior to November 19, 1974.
6. Organizations conducting studies for, or on behalf of, Memphis State University for the purpose of assisting in accomplishing the University's stated goals, and when such information will be used only by such organizations and subsequently destroyed when no longer needed for the intended purpose. The Dean of Admissions and Records or his designate must approve requests of this nature.
7. Accrediting organizations to carry out their functions.
8. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1954. (Note: Husband or wife cannot get records of his/her spouse regardless of dependency.)
9. In compliance with judicial order or subpoena after the University has made a reasonable effort to notify the student.
10. Appropriate persons in connection with an +emergency if such knowledge is necessary to protect the health or safety of a student or other persons. Verification of the conditions involved will be fully documented.

Note: All individuals and agencies who have requested or obtained access to a student's record (except as stated in A 1-7) will be noted in a record which is kept with each student's closed file. A request must be in writing stating the purpose of the request. This record will also indicate specifically the legitimate interest that the person or agency had in obtaining the information, and the information made available will be limited to that necessary to satisfy such demonstrable needs.

B. Definitions:

— **Educational Records.** "Educational Records" is defined as those records, files, documents, and other material which (1) contain information directly related to a student; and (2) are maintained by Memphis State University or by a person acting for the University. They do not include: (1) personal notes; (2) records available only to law enforcement personnel; (3) employment records; (4) medical, psychological, and psychiatric records (these are accessible to the student's physician); (5) and records containing only information relating to a person after that person is no longer a student at the University. An example would be a record of accomplishments of an alumnus of the University.

— **Student.** A student is any person who is or has been enrolled at Memphis State University. Wherever "student" is used in reference to personal rights, an eligible parent of a dependent student has similar rights. This "eligible" parent is one who has satisfied Section 152 of the Internal Revenue Code of 1954, and who presents proof of such to the custodian. Normally, this will be notarized affirmation by the parent declaring that the student is a dependent for Federal Income Tax purposes.

— **Directory** information. "Directory information" is defined as: The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's full- or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office a written request that directory information for that student may not be released. This notification is effective only for the one semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.

— **Access.** To have access to an "Educational Record" is to be allowed to see the original record. It implies the right to obtain copies of that record.

— **School Officials.** School officials are those University employees with general or specific responsibility for promoting the educational objectives of the University.

Employees whose responsibilities place them within this category include: teachers; faculty advisers; admissions counselors; academic advisers; therapeutic counselors and vocational counselors; degree analysts; employment placement personnel; deans, department chairmen, directors, and other administrative officials responsible for some part of the academic enterprise or one of the supporting activities; administrative and faculty sponsors of officially recognized clubs, organizations, etc.; members, including student members, of committees appointed by the President; and clerical personnel employed to assist University officials in discharging professional responsibilities. Access by these officials is restricted where practical only to students for whom they have professional responsibility and only to that portion of the student record necessary for the discharge of assigned duties.

— **Legitimate Educational Interests.** Legitimate educational interests are defined as those interests which are essential to the general process of higher education prescribed by various legislative acts and the body of policy adopted by the governing board. Legitimate educational interests would include teaching, research, public service, and such directly supportive activities as academic advising, general counseling, therapeutic counseling, discipline, vocational counseling and job placement, financial assistance and advisement, medical services, and academic assistance activities.

In addition, the University officially recognizes appropriate co-curricular activities which are generally supportive of overall goals of the institution and contribute generally to the well-being of the entire student body and specifically to many individuals who participate in these activities. These activities include varsity and intramural sports, social fraternities and sororities, honorary and academic fraternities

and sororities, departmental clubs, professional fraternities, special interest clubs, and student government.

C. Procedure for Gaining Access to **Educational Records.**

— To gain access, the student must request the custodian to allow him to peruse the "Educational Record," which request will be granted within a reasonable period of time. The student may ask for an explanation and/or copy of his "Educational Record." Examination will be permitted under conditions which will prevent alteration or mutilation of the record. A student must present proper identification upon request. Documents submitted by or for the student in support of his application for admission or for transfer credit will not be returned to the student nor sent elsewhere.

— If the student believes the "Record" content to be inaccurate, he may submit a request for amendment of his record. Normally such matters will be satisfactorily settled in the course of informal discussion with the student. When this is not the case, the request and the challenge must be presented in writing to the record custodian who will inform the student of his decision within 45 days and of his right to a hearing. The student may then submit a written request for a hearing to the Dean of Admissions and Records who will (1) appoint an Appeals Committee consisting of four "Record" custodians (none of whom is custodian of the "Record" in question), with one of the four designated as chairman, and (2) designate a time and place for the first meeting and inform the student of the same.

— The Appeals Committee will convene with the student within 45 days from the date of the request, allowing the student, or his parents if the student is a dependent, to present relevant evidence. The student may be assisted or represented by counsel of his choice and at his own expense. A written decision based solely upon evidence presented at the hearing will be given the student within 45 days after the conclusion of the hearing, including a summary of the evidence and reasons for the decision and notification of his right to place a statement in the "Educational Record." Thereupon, the student may submit to the Committee a written explanation to be inserted into the "Record."

Note: This procedure does not provide for a hearing to contest an academic grade.

D. Right of Access Does Not Include:

1. Financial records of parents or any information therein.
2. Confidential letters and statements of recommendation which were placed in the "Educational Records" prior to January 1, 1975.
3. "Records" to which access has been waived by a student.

E. No University office receiving student information shall, and all agencies receiving student information will be advised not to, release the information to another party without the written consent of the student.

F. The University retains all rights to the student's academic record and may withhold transcripts of the record because of unfulfilled obligations to the University.

G. Eligible students and parents have the right to file a complaint with the Department of Education concerning an alleged failure by the University to comply with the "Privacy Rights of Parents and Students" Act. Students may also file a complaint against the University in the office of the Dean of Admissions and Records. A copy of the Act may be read in the offices of the Associate Dean of Admissions and Records (Records), the Dean of Admissions and Records, or the University Counsel.

MEMPHIS STATE UNIVERSITY'S POSITION ON DRUG AND ALCOHOL USE BY STUDENTS

A. In accordance with local, state and federal laws and with University Regulations promulgated in accordance with the Tennessee Board of Regents policy, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs on University owned or controlled property. Also, students are prohibited from possessing, using, selling, manufacturing or distributing alcoholic beverages on University owned or controlled property.

At off-campus University sponsored (funded) events, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs. Alcohol shall not be abused by those of legal drinking age, nor used, possessed or distributed by those who have not attained drinking age.

Additionally, students are prohibited from being under the influence of illegal drugs or alcohol while on University owned or controlled property or while attending any University sponsored (funded) activity.

B. Under the laws of the state of Tennessee, a person convicted of the unlawful possession, use or distribution of an illicit drug or alcohol may face a fine ranging from fifty dollars ($50) to $500,000 and may face imprisonment ranging from thirty (30) days to sixty (60) years. Dependent on the offense and its classification, the fine and imprisonment may vary but will be within the limits noted. Descriptions of the offenses and sanctions listed are located in the Tennessee Code Anonotated (T.C.A.) in sections 39-17-401 through 427 and in sections 40-35-101 through 504.

Under the laws of the United States, a person convicted of the manufacture, distribution or possession of any controlled substance may face a fine of up to $100,000 and may face imprisonment of up to one (1) year for Schedule V drugs, and a fine of up to $400,000 and life imprisonment for Schedule I drugs. Dependent on the offense and its classification (according to the schedule of the drug), the sanction may vary but will be within the limits listed above. These sanctions are doubled when the offense involves either (i) distribution or possession at or near a school or college campus (emphasis supplied) or (ii) distribution to persons under 21 years of age. Additional sanctions include civil fines of up to $10,000 for simple possession and loss of eligibility for federal benefits. Descriptions of offenses and sanctions are located in the United States Code (U.S.C.), title 21, sections 801 et seq.

C. The use of illicit drugs or alcohol may result in a variety of health problems. Excessive use of alcohol, for instance, has been shown to result in damage to the heart and liver; impairment of brain activity, digestion and blood circulation; impairment of judgment, memory and motor skills; and ultimately, may lead to death.

The use of illicit drugs has been shown to cause organic damage, impairment of physiological processes, and impairment to mental functioning. Risks of contracting hepatitis, AIDS and other infections increases when illicit drugs are injected. The use of illicit drugs may also lead to death.

D. Memphis State University students have access to a wide variety of drug or alcohol related counseling/assistance programs, both on and off campus. On campus services, which are entirely free to students, include the Center for Student Development's Psychological Counseling unit, the University's Health Center and the Department of Psychology's counseling services (Psychological Service Center). For more information on campus based services, contact the Center for Student Development at 678-2067 (MSU-2067).

Off campus programs to assist the substance abuser range from groups dealing with addictive behaviors--such as Alcoholic Anonymous, Narcotics Anonymous or Cocaine Anonymous--to full service, in-patient programs operated by local hospitals or health-related concerns. These programs may be contacted either directly or through referral by the MSU's Center for Student Development; although, none are operated with the assistance of the University.

E. Violation of University Policy as stated in Section A above will result in disciplinary action being taken against the responsible student. A violation may result in a sanction ranging from a simple warning and referral for treatment to a full suspension or expulsion from the University and may also result in referral for prosecution by local, state or federal authorities. For a more detailed view of the disciplinary process, see the Student Handbook section on student discipline ("Code of Conduct") or contact the Office of Judicial Affairs at 678-2298 (MSU-2298).

PARKING REGULATIONS

MEMPHIS STATE UNIVERSITY

* Every vehicle parked on campus property must be registered with the Traffic Office and have a parking permit properly displayed. Visitor passes are available and may be obtained at the Traffic Office. Temporary permits must be obtained from the Traffic Office for any replacement vehicle being driven by a student, faculty member or staff employee when their registered vehicle is not available.

* Vehicles must be parked within parking spaces delineated by white lines.

* **Campus Traffic and Parking Regulations** are available in the Parking Office, 151 Administration Building and the Information Center located at the corner of Patterson and Central.

* Improperly parked vehicles may be towed at owner's expense. The issuance of a parking permit does not guarantee a parking space on university property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with campus parking regulations.

* A limited number of spaces are available for students in the gate access lots. These spaces are sold for either day or evening use and a parking space is virtually guaranteed. Applications for gate access parking are available in the Parking Office or in the Fee Payment Center during registration.

* Parking lots or spaces are restricted according to status, and use is allowed only to those having a parking permit corresponding to the lot. Lots are designated as Restricted, Residential, or General.

* Security officers, parking officers, faculty members or staff employees are not empowered to allow anyone to violate the traffic and parking regulations.

* Storing articles of value (including radar detectors) in parked automobiles is discouraged. However, if articles must be left in an automobile they should be placed out of sight and/or locked in the trunk. Memphis State University does not assume responsibility for loss of personal property.

* Motorists may obtain assistance or information from any campus officer on patrol or by calling 678-2212.
